Dear Town and Community Councils

Powys County Council has launched a campaign to help support residents and businesses with the rising cost of living.

The council has worked closely with local partner organisations to pull together a wide range of information in one place to ensure people know what help is already available and how to access it.

The online hub, which can be found at www.powys.gov.uk/costofliving, has been created to offer as much advice as possible to those in Powys who may need it during this time.

The #CostOfLiving campaign aims to provide information and advice on:

- Household energy advice
- Money, benefits and debt advice
- Powys foodbanks
- Support with household utility bills
- Support for businesses
- Support for families with children
